## GETTING TO THE CONFERENCE

Marker Hotel , Grand Canal Square Dock, Dublin 2

This year's conference will be held where the Grand Canal meets the Liffey, in one of the best settings in the city. Overlooking Grand Canal Square and the Docklands, the Marker Hotel is fifteen minutes walk from Pearse Street and Docklands dart stations and just five minutes from Busaras. It is just five minutes from Grand Canal Dock dart station. The Luas from Heuston Station takes about 20 minutes. There are a number of car parks in the area and a large selection of hotels in the Grand Canal and Docklands areas to choose from.

**Pre-conference dinner** Dublin, Thursday 22nd June at 7pm. Details available online when booking.

## PRACTICAL TEAM TRAINING IN DENTAL ANXIETY AND PHOBIA

The ISDH welcome you to join us at our annual conference in Dublin on the 23rd of June 2017. The focus of our conference this year is dental anxiety and phobia for children and adults. This year, we are doing things a little differently...

### INTERNATIONAL EXPERTS

This year a team of International experts will provide applied training in the assessment and management of children and adults who have dental anxiety and phobia. Training will be provided by **renowned experts** from Kings College London including Professor Tim Newton, Dr Geanina Bruj, Dr Jennifer Hare, Dr Koula Asimakopoulou, Dr Suzanne Scott.

### PRACTICAL ONE DAY TRAINING

This year's conference will involve **interactive**, hands-on training suitable for all dental team members. This training will enable practitioners to assess dental anxiety and phobia and to apply cognitive and behavioural techniques for alleviating mild and moderate dental anxiety. Attendees will also be able to make an **implementation plan** for how to integrate these techniques into their dental practice.

### LIMITED SPACES

Due to the interactive nature of this year's conference, there will be **no walk-ins** available on the day. So, ensure that you book early to secure your place. Training is suitable for all dental team members and for those who treat adults and children. Please expect to engage and share with other learners in an interactive environment. This training **programme will be evaluated** so those who register may be contacted as part of this process.
